Our people have maintained a spirit of optimism remarkably well during this long rainy spell through which we have been passing. It is well so to do. No use to complain. Always see where it might have been worse.

Lightning struck the residence of Mr. T. C. Ritts near Bush River church on Tuesday evening. It struck a rock pier and bored a hole in it much like a bullet shot and then seems to have gone upward and splintered the silis and did some other damage to the building but no hurt to any member of the family.

Two negro men on the place of Mr. Cal. Baker tried to boost a little business for the undertaker and furnish a newly column for the newspapers, to say nothing of a little sensational diversion for themselves by shooting at each other Tuesday last. The performance did very well for amateurs as one of them got a slight flesh wound and the other an overdose of fright.

The congressional campaign meeting will be held in the court house on Saturday at 2 o'clock. The hour was changed so that those who work in the mills might have the opportunity to attend the meeting without the loss of time if they desired to do so. The mills all close on Saturday at 11 o'clock and by making the hour 2 it will give all of them time to go home and get dinner and come to the meeting if they desire to do so.

One of the most terrific and most damaging thunder storms that has visited this section in a number of years passed over a large part of Newberry county Friday night. The lights of the city went out leaving the town in darkness except for the lightning which was for a time almost incessant. A large number of telephone stations were put out of commission and numbers of trees and buildings were struck by lightning in the path of the storm. The rain fell in torrents.

His At Advanced Age.

Ninety years is a long time. When memory runs back over the span of nine decades and the events of all these years crowd before one, what an enormous lapse of time, ninety years must seem. An old man, carrying the burden of all these years, has reached his goal and now rests in peaceful sleep.

Martin Luther Bullock was born in Abbeville county about 1826 or 1827 and died Monday night in Newberry at the home of his son, Mr. W. W. Bullock, with whom he had lived for the past 12 years. The remains were shipped to Cross Hill Tuesday where the burial took place on Tuesday afternoon.

Mr. Bullock was a well educated and highly intelligent man and served several years as county superintendent of education of Laurens county in which county he spent the greater portion of his life. He took a deep interest in all public questions and having lived in the stirring days of the '40s and '50s when Clay and Webster and Calhoun were the shining stars in the nation's political firmament, he was well informed and had a personal knowledge of men and issues of that period which made of him a very interesting and entertaining talker.

When the war of Secession came on he enlisted and served throughout the four years of the war, fighting for home and native land, a soldier in the immortal armies of Dixie.

After the war Mr. Bullock, like his brave comrades, began life over again and struggled as courageously in the armies of peace and industry as he had in the armies of death and destruction. He was a merchant the greater part of his life.

Mr. Bullock is survived by the following children: Mrs. Addie Hill of Laurens, Mrs. W. H. Workman of Clinton; Mrs. Ella Johnston of Clinton; M. L. Bullock, Jr., of Tampa, Fla.; T. S. Bullock of Blossom, Fla.; and W. W. Bullock of Newberry.

A PLEASANT ENTERTAINMENT.

One of the most pleasant and enjoyable entertainments of the season was the social meeting of the "Wesley Bible Class," on last Friday evening at the home of its teacher, Mrs. J. W. White.

After the guests had arrived and assembled themselves in the parlors, and library they were called to order by the President, Miss Rebecca Wicker. A piano solo by Miss Ernestine Wicker marked the beginning of an interesting and instructive program. A recitation by little Miss Elizabeth White, followed with a vocal solo by Miss Mattie Lou Wicker were very much enjoyed by all. A vocal duet by Misses Lizzie and Minnie Salter, and a piano solo by Miss Georgia Porter did their part in making the evening enjoyable. Then the climax was reached in the cunning dialogue and recitations by little Misses Elizabeth Pitt and Elizabeth White. The program was closed by a piano solo by Miss Annie Williams.

Then after pursuing progressive conversation for some time, cards distributed and a contest announced. The "Wear Ever" boys Messrs O. E. Bass and E. E. Herlong who are demonstrating aluminum utensils here offered a pound cake and the "Wear Ever" pan in which they baked it for the most words made from the letters in "Wear Ever." The contest lasted five minutes and the sound of a bell marked its end.

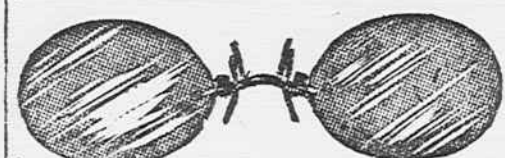

After enumerating and correcting the words it was found that Miss Corrie Lee Havird was the lucky contestant. She had made twenty-nine words from the two words "Wear Ever." Mr. Dibble with a few well chosen words delivered the cake.

Refreshments were served and conversation resumed.

At a late hour and after a very pleasant evening the light hearted guests departed.
